Doug, we are in receipt of the DFAR for the Utah Democratic Party. I would like to make a couple of comments:

- 1) With respect to the misreporting issue, we continue to believe that the proper way to disclose the activity is the way we described it on our last response. We have nothing more to add at this time.
- 2) With respect to the Levin reporting, please note that the committee conducted a Last in First Out accounting procedure (LIFO) to properly identify donors who could be reported as Levin contributors. Let us know if you need additional details regarding our analysis.
- 3) We are not requesting a hearing on any issues raised in the DFAR.

Let me know if you need any additional information.
